“ Dearest Father,

You never made things easy. The last six years were a challenge and quite difficult, but I would welcome another six right now today if I could have you here, even with the Alzhiemers disease. We miss you here with us. If you can see this message, please give our love to Mom and to our sister Paula. I am so proud to have been your son.

*Love,
Frank*

ps: Don't worry about the graves, we'll have them looking nice again once it thaws out. We're thinking June! Dad, I have hated the cold just as much as you did.

“ My thoughts and prayers to Karen and her family for their loss. Gerry was a memorable part of my high school past. We will always remember him from our "gang" with his blond hair perfectly styled and his perfect crease in his pants. Not a bad way to enter the Kingdom Gerry.

“ Frank, Steve, Annette and family members, I am very sorry to hear of the passing of your father. I did not know him well but I do know it must be especially difficult for all of you not only due to the time of the year but also with recent passing of Paula. My thoughts and prayers are with all of you and now he is in a better place, together again with your mom and his little girl.
