“I am sorry its taken this long. Some of us guys at work were sharing our memories of Gerald today, we sure miss him as we miss all our Siemens brothers who have left us. I hope that time will ease the pain of your loss.I loved making him laugh, we all had some good times.He was a great outside the box thinker.He shared his efforts with me to design an Exoskeleton. It was really kool, and ingenious.Many hopeful and happy thoughts to the family. Richard Abner.”
