“ *Very sad to find this news on the web with a random search. Uncle Jerry was a fun Uncle to have and I am sure if we had stayed in Michigan I would have gotten to know him better, my memories are from Christmas's when I was a child and he always made family events fun. Always lurking in the shadows to give me advice and treating me older then I was, "secretly" or pretending it was a secret giving me a 50 cent piece, or my first 10 dollar bill which is a fortune for a 10 year old. Good bye Uncle Jerry!*”

“ *I feel very blessed to have had Uncle Jerry in my life. He was smart, cool, generous and very caring. He always had a big smile and hug. I admired how great of a brother he was to my mom and how much he cared about my brother and I. He was there to listen and give good advice. I will miss his contagious laugh and all the times we couldn't stop laughing. Our family was lucky to have Uncle Jerry and we have a lot of great memories to help us in this difficult time.*”
