“ I have known Jerry, my handball buddy, for many years. As fine a man as I have ever met. He spoke of his family all the time, and you just knew Jerry had a highly technical background. We would joke, that if you asked Jerry what time it was, he would tell you how a watch was made. I will truly miss my friend.

“ Stacy: Holly and I were lucky to share a million fun times with you, your Dad and Mom. I often think of those times and smile. Very comforting, when needed. Your Dad was so special. He will be missed, for sure. His memory will be kept alive through stories you pass along to Blake with love and laughter. My heart breaks for your loss. Sending you hugs from CA. Xo
