“ I had the opportunity and pleasure to work with Jack for a brief time at Mopar when he came over to assist in the Expediting department. Jack was an exceptional person and will be sorely missed.

My thoughts and prayers are with the family during this difficult time.

“ I got the pleasure of working with Jack for the last 8 years. Jack will be very missed. He was one of those people that would make the day go by quicker just by talking to you, and one the few people at work I actually enjoyed talking to about cars. Spring won't seem the same without him in the Viper. God bless you and yours.
