“ *I have lived next door to these great neighbors for years. Greg was one of my go to guy after my husband died. Three of my favorite memories are when I thought someone was in my house, scared to go in I ran to Greg. He went into my house to check it out with his trusty bat! Hired a landscaper to do some pretty unusual job.the team had no idea what to do, so got Greg to explain how to fix the problem. My most enduring memory is Greg's MUSIC he played on his patio whenever he could. If I was inside I'd open the patio door. Greg had great taste in the music. I'll will miss Greg so much. Gods blessing of peace. Leona*

“ *Cross country snow skiing at a local golf club, Greg was determined to jump a small hill. 2tries to lift and land on his shoulder. Can you say broken? Oh this was the Schnapp tree trip. We all carried pints of schnapps and met/stopped at every tree to partake and share the flavors. This may have led to Greg's boast of I can do it.*
