“ Greg, as I am sitting here typing this.... I am getting ready to go to put you to rest to be with the lord today. This is very bitter pill that I MUST SWALLOW!! I miss you so much!!! You were my Godson, my Nephew, and my Best Friend!! How do I go on with my life without you?? You were like a son to me that I never had. You were such a handsome boy. You could always make me laugh and I could tell you anything and you would always give me solid advice! We had our little inside jokes and we had a special bond that I probably will never have with anyone else in this life. It breaks my heart in a million pieces for this day to come. You were such a family man and you would do anything for your family. I know you loved us as much as we loved you!! You were so respectful, so thoughtful and would be so nice and kind to anyone that you came across. You would do things for me without me even asking you to do them. I was so so proud of you!! I feel in my heart you are in a better place and not suffering here in this broken world. I hope you will watch out for me, and our family, and your son from heaven and be at the white pearly gates when it's my time. I hope you are there with Papa and all the other relatives that have passed before us. It's always been said that God takes the best ones first and its true to me now because you were ONE OF A KIND. It was an honor and privilege to be your uncle and to know you since you were born. I will cherish every single memory we had together and I will always keep you in my heart, my thoughts and prayers. Until we meet again my sweet nephew know that I will always love you with every ounce of my heart!! My dearest Jake, I look forward to the day I can hear your voice, see your wonderful smile and awesome laugh again. LOVE YOU NEPHEW!!!

Love, Uncle Charlie
