“Our condolences go out to the family. I remember Helen as a bowling partner on our team. She was always a fun-loving, friendly person to be around. We enjoyed the time with her and with her daughter, Judy. Andrea Papcun”

“Dear Judy and family, I was so sorry to see that Helen has passed too late this morning to come. Your mother was a wonderful person, funny, happy and loving. Life got in way of too much contact but we did speak by phone and we exchanged family stories and we thought of each other often. Our first meeting at A&P was the start of our friendship and from that time on the tough, bossy, sly Lady was my friend. As you know the outside was not the inside but we worked hard to prove that women could do any job and she became my Guardian Angel teaching me to be a leader. Helen loved her family above all and the happy and scary times that we shared helped both of us as I felt the same. Of course God is our Support and help, He must be so happy to see your Mom and welcome her to His Kingdom. As I sit here crying for the lost of a beautiful soul her; I rejoice in the knowledge that she is home and will speak on her family's care to Him.”

“May we continue to honor and respect all the lessons we have learned; acting as living symbols of a loving spirit. You are in our prayers.”
