“ I miss you so much. We got to watch each other grow up. Words can't explain how much I miss you. Words can't explain how much I want to see you. Hunter always gives me signs and messages that he's with me. I keep wanting to believe it's not real. Hunter was like my big brother. He always had my back and always stood up for me 😊 Always made me laugh. We have such amazing memories that I will forever miss. I miss your laugh so much. I just miss you so much

“ *I remember the time of Hunter's birth and how happy Lisa and Mark were. I remember Lisa bring Hunter to work as a new mom proud and full of smiles and laughter. All of the picture and updates as he grew older. I haven't seen Hunter for many years, still I feel the pain Lisa and Mark must be experiencing. Love you both in Christ. Jerry*

“ This is so heartbreaking and feels so unreal💔 My heart goes out to all of us, but especially his family, and younger siblings. hunter wasn’t just a friend, he was the light of the room keeping smiles on everybody’s face with his goofiness, he was the muscles in the friend group having everybody’s back, and i mean we can’t forget he was the only one with a turbo in his car, so he thought😭. (He had a Pontiac) . Nothing will remain the same without you... my heart is so torn. The best memories were spent with you there. I wish I could’ve done something to save you from all this😭 Imma ball out for you fasho 100 #LLHRB I love you forever💕

“ My heart breaks for Lisa, Mark, Hailey and Hayden. I had Hunter in 7th grade and still remember him to this day. He was one of those kids that I was bound and determined to make him like math and want to do better. I always saw so much potential in him and he always made me laugh. I remember I would always say to him, “Don’t make me call Lisa!” I’m so sorry for your loss. My thoughts and prayers are with your entire family.

“ Lisa, Mark, Hailey and Hayden,
Words cannot express how very sad I am to hear this news! I have such fond memories of having Hunter in my third grade classroom. He was such a bright boy that was always eager to learn. He kept me on my toes, but I sure loved this sweet boy with the big, warm smile. Lisa and Mark I remember how very supportive you were and how much you cared and wanted the best for Hunter. Even years after I had him, when Hailey was in my class, he would make a point to come say hello. Hailey and Hayden my heart breaks for you! Please know that your whole family is in my prayers. I am so, so sorry. Sending love to all of you!
