“it's so hard to say goodbye to such a genuine and caring person. i met her when my friend moved onto her block in Hamtramck, and she came to her front door with a welcome plate of food. such lost art of civility - the perfect neighbor and citizen, and i came to learn, friend. we visited often, and she was so interested and interesting. always kept track of where i was at, punctual with the birthday and christmas cards, thoughtful about my next adventures. and such a wealth of stories about her hometown, her family and the family home she still lived in, her beloved Henry and sons. i loved her, admired her, and was touched by her. RIP to a great human being, and condolences to her precious family xxoo”

“Aunt Irene was such a loving person! I always looked forward to going over to the Dymeks with my family. My sister Chris and I had such fun playing all over the house with Henu and Michael. Irene always made me feel special as a kid. I was so proud when she said that she kept me school photo on her desk: title did I know until much later that I was one of 50 photos on her desk! You are very much missed. Blessings to the family. Basia Felix, Parks Arizona”
