“ Karen and family,

*I got your card in the mail -- I was so sad to hear of your mom's passing. Thank you for letting me know. I always thought of her -- every day I drive past her house on my way home from work. I will always remember our visits and what a sweet person she was to me -- she was such a comfort after my mom died. They were both the same age; just a few months apart. I loved to visit with her and we would just talk about all kinds of things. I know you will all miss her very much and holidays will not be the same. I hope you find peace in knowing she's in a better place now. Your memories will keep her spirit alive in you always.*

*My deepest sympathy -- Denise*
