“ I am at loss of what to say and how to feel. Jack was an uncle to me and growing more as a big brother and along Joe Scoza. They both mean the world to me and ill always cherish my memories growing up with Jack and Joe. One of the fondest memories was during Christmas as a child I used like lay under the Christmas tree at our house on Eastburn St in Detroit, Jack would lay with me under the tree and sing Christmas Carroll's. I think that even today! So many more memories to share but this would turn into a book. Always know Uncle that I love and pray for your spirit everyday. Love your nephew

“ I worked with Jack at ABC for many years. We had many discussions about life and shared lots of laughs. Every discussion he spoke of his son Nick, only the way a proud father would do. I hadn't seen Jack since he retired and am deeply saddened to learn of his passing.

I extend my deepest condolences to Jack's family. He left a mark on many people and I know many can't help to smile when they think of Jack. May you find solace in celebrating Jack.
