“ You were special Jack, always putting others before yourself. You were such a comforting human being, very supportive and kind. My niece and nephews adored you. I am so sorry this happened to you- you deserved so much more. Thank you for teaching me how to make a margarita and just being you. Rest easy, Jack. You will be missed.

“ Enjoyed every time I ran into Jack. It was never a dull moment. The best time was hanging with Jack and Jeff on Daytona Beach for spring break. My condolences, Jack will surely be missed.
