“ *Tammy and family, my deepest condolences to you all. It is never easy losing your mother, no matter how old they are.... Jackie was always sweet to me, and was cute and stylish whenever I saw her at a family event! She loved to dress up, and have her jewelry on, her make-up and hair done, and I always thought that was so cute...and she looked great! She always complimented me, and I think she met my mom once, briefly, over the years, but every time she saw me (up until the last few years) she would ask me how my mom was. She had a kind soul. She will be missed. ❤️*
