“Dear Mary Ann and family, I am so sorry to hear of your loss. I have so many good memories of our wonderful family times together, we had such fun and Jim had such a good sense of humor, what a great laugh. I hope you can find comfort in knowing that Jim is resting in the arms of our heavenly Father and that one day we will all be together again. Love and prayers to you and your family. Carol Scarford”

“I will fondly remember all weekends I spent at the Deluca home. I am grateful to Uncle Jim and my Dad for building the family cottage and all the great memories there. Uncle Jim taught me to ski up north and he gave me the nickname of Di. I will always remember his wonderful laugh.”

“Uncle Jim helped me with many things over the years. He did numerous repairs around my house in Eastpointe, helped me when I had car problems and gave me lots of advice, especially about the workplace. I am so happy I was able to spend time with him over the summer and was more than glad to make him a tuna fish sandwich which he asked for. It was the least I could for a man who did so much for me.”
