“So sorry to hear about Mr. Galloway's passing. I have so much to be thankful for to such a loving family. You gave me my first job and my only job that carried me though out my college career. I may have been one of the first employees hired besides Carole. I will always remember your Mom and Dad as such a great couple with a strong loving bond with each other. Your Dad always dropped by the store to see your Mom. Always joking with big smiles. What is the St. Malachy festival going to be like without your Dad running around with party trays filled with pizza? Sending all my thoughts and prayers to all of you, Galloway family. Miss you!”

“I met Jim nearly 20 years ago as I was learning about Jet's Pizza. Jim enforced what I was learning, that this group of people, known to me as the Jet's guys, were all about family. Business is so much better with a solid family group. Being accepted into the business group is one thing, but accepted into the family group by Jim was beautiful. I only saw him a couple of times a year at meetings, but the greeting was always enthusiastic, genuine, with a hug and catch-up conversation. My prayers for Jimmy, Jeff, and your families. God's Blessings for Jim.”

“I only met Jimmy about 3 years ago, but from the first time I met him, he made me feel like I knew him for 30. I never knew either of my grandfathers, but I believe they would of been just like Jimmy! He was a very warm, kind and friendly man. God bless him and his family.”
