“ Jim was married to my mom Lola only a short time but he made her the happiest she had ever been. He was very sweet to me and my family. He even took us out on his boat. He was so wonderful to mom and married even though her cancer was back. They had ten months together and they were so in love. I wish it had been longer. He was a real sweetheart of a guy. So sorry for your loss.

“ We are so sorry to hear about the passing of your Dad. Uncle Jimmy was a gentleman and one of the kindest people we have known. We will always have great memories of him playing the piano, meeting up with him in Florida for a Detroit Tiger game, skiing at Schuss Mountain, and him just joking around.

We are sorry for your loss and extend sympathies to our cousins. Our prayers are with you and we hope you're able to find peace through good memories you had with your Dad.

“ *Jeff, Karen and Chuck, We are so sorry for your loss. We have many fond memories of Uncle Jim over the years. Our favorite was when Uncle Jim and my Mom spent a week with us up north at our cottage. We had so much fun and lots of laughs. I took him fishing on our lake. You know how much he loved to fish and hunt. Our deepest sympathy to you whole family. May he Rest In Peace. Frank and Marilyn Prestigiacom*

“ Love him so much. A loving, kind, and supportive Dad and Grandpa. Half the time he thought I was crazy, but he was always there for me. He never said “no” to me and always helped if I needed it. He never had a bad word to say about anyone. He worked hard to support his family. I never wanted for anything. He was an athlete, fisherman, and hunter. He was a good friend to many. A joker, playful, loyal, faithful, protective, and honest. Truly the best example of a Dad. Heaven welcomed a good man. I’m praying he’ll remain close. My heart is broken, but I’m happy he’ll be wrapped in God’s love and with his family he so longed to see.
