“ I worked with Jim at the IRS for years and would see him at the Retiree luncheons. He was always a really nice guy whether at work or the luncheons. . My sincere condolences.

“ Jim and June came back to NY for a visit several years ago. I had never met them but they were long time friends of my husband. I also called another friend of theirs who stopped by during their short visit. It may have been a quick visit, but lot of memories where shared and several pictures taken, I took one of Jim sitting in a chair with his camera around his neck....
