"Adele, Eric and Matthew, I was shocked and saddened by the death of your father and very disappointed that I was sick and not able to be with you during the visitation and service. Jim was a very competitive and skilled player, but always a gentleman on the court. I loved playing tennis with him and it reminded me of the competitive matches that Eric and my son, Mark, had during high school. There was always a lot of respect for one another. Eric and Matthew, you are very lucky to have grown up with such supportive parents. Your dad always beamed when he talked about you and your mom was always there to support your efforts. I hope you find comfort in the many memories that you share as a family. God Bless you all!"

“Adele, Matthew and Eric,
We received word of Jim's passing from Anita. We were shocked to hear the news. Unfortunately we received the news to late to come for visitation. Bob remembers the good times he had with Jim on the tennis courts years ago. He was always a great co-worker and friend. We can't believe how the time has gone by so quickly. Keeping you in our thoughts and prayers. Bob and Vickie Smokoski”

“*"We have known Jim and Adele for many years, having worked with Jim for numerous years. He was a loving, doting father, and we spoke about the many times going snowmobiling with the boys and Adele, one time encountering a deer with their vehicle on the way up north. We send our heart felt condolences. Bruce and Anita Johnson"*

“Adele and boys,I was so saddened to hear of Jim's death. He and Adele would often stop in at my parents home before making their way next door to Aunt Margie's. I enjoyed being there and listening to the stories that they would reminisce about. Jim was soft spoken, kind, and smart. He would always offer any knowledge he had during those conversations and visits. He had a distinct laugh that I will always remember. We are so saddened by this, please know that our thoughts and prayers are with you and we hope that we can help comfort you during this most difficult time.”

“An absolutely wonderful man. Jim would give the shirt off his back to help anyone out. My wife and I are going to miss him terribly. Jim always had a smile and I loved talking with him, his wife Adele, and Matthew in the summer when I would see them outside. He was such a kind hearted soul and I enjoyed him very much. Adele I just want you to know I love you and your family very much and you are the best neighbors ever! May gods love shine upon you Jim and be with your wife and boys forever We will miss you”
