“ Jim was a co-worker and a good friend of mine. We shared many stories over the years. One story especially comes to mind. He would put flowers on a grave site for a little girl he never met. He could tell no one ever visited. This shows what kind of person Jim was: Selfless, generous, loving, and kind. You will be sadly missed by so many. My deepest condolences to all his family. RIP Jim

“ Jim was an amazing friend that was eager to help out his friends and others. He donated his time to help a sick friend in need and asked for nothing in return. I want to thank him for always having my back, being a mentor and being such a great person. I'll miss his personality, our conversations and Jim laughing mid sentence while telling stories. We are all heart broken. Jim was truly one of a kind. He will be greatly missed - Brandon Koehn
