“*"Jane was a wonderful and bright woman who embraced technology. She was the antithesis of "you can't teach an old dog new tricks." She enjoyed learning and teaching others. She was an inspiration to all who knew her. Jane will be missed."*

“*"One of the true greats. A colleague, a friend, an irrepressible lifelong learner. She was the only person I knew who could tell you the difference between a dash and a hyphen, and the only person I knew to whom that mattered!Condolences to all whose lives she touched."*

“*"Dearest Jane, it was my great pleasure knowing you; your wit, beaming smile & hearty laugh, your intelligence & kindness & welcome over the years I'll never forget. We had some good times in San Jose, wining, dining, touring the wine country and the city with Trish, Karen and Timmy. You will be so missed but we'll gain some comfort in knowing you can wine and dine again now with Bob and Karen forever at your side. Slainte my dear friend. Xoxo Clodagh Byrne, Dublin, Ireland."*
