“ *My thoughts and prayers are with each of you at this very sad time. Your mother/grandmother was a remarkable woman and I consider myself truly blessed to have had her as my aunt. She was one of the most loving people I have ever known and her smile was contagious. She was so kind and could always make me feel at peace just by being in her presence. It is no wonder that my Dad (Uncle Clarence) so loved her. They were so much alike.*

May it bring you comfort to know that she is now in Heaven with God and all who loved her who have gone before her. I am sorry that I did not know of her passing sooner so that I could have offered my condolences in person. I am deeply saddened for your loss and will pray for God to bring each of you the comfort and healing that comes from your abiding faith in God.

Love,

Jenifer (Mundinger) Anderson
