“ I'm sorry to hear of Janet's passing and send my condolences to all the family. My fondest memories of Janet along with all of my cousins, and there are many of them, are the times we all met up at Bogie or Pontiac lake to swim, play and eat!! We also went to Uncle Don and Aunt Viv's to have picnics and swim too. Even though I haven't seen her in a while, the memories of her and all my cousins are fresh in my heart!! Sending love and hugs. ❤️

“ It was always an exciting time to go to Uncle Don and Aunt Vic's. We'd run thru the adjacent woods running into orb weaver spider webs, catch water snakes in the drainage ditch. His Harley powered boat was a classic. Janet was a smart thoughtful kid as I remember her. My thoughts and prayers to all family members. May God Bless Janet, and watch over and comfort the family she has left behind. Russell
