“We will keep Janice in our thoughts and prayers on hearing today of her leaving to be with beloved husband Art. They were good neighbors in the years they lived here "up north". We will always remember her big smile and wave every time she saw us. May she rest in peace.”

“*To Matt & Family: My Dear Childhood Neighbors, my prayers of comfort & strength include each of you on the passing of your sweet mom. I am a childhood friend that has many fond wintery memories of anxiously waiting with Mathew (& Karen) for "our turn" on your huge back yard ice skating pond, as we watched Sheemo (ie;Mark) & buddies playing ice hockey. We were nearly blasted by a few of those flying pucks, but that dangerous wait was well worth it! Your mom would generally watch for our safety from that back kitchen window and often brought out to us her home made hot cocoa 'to warm the tummies' she'd say, with her big smile. I lived around the block, down in the corner house on Hickory, along the paved alley across from Paul's Store. Your mom always smiled & waved to me when ever she walked to the store. While reading your mom's "notice" this morning I was amazed at the long forgotten memories that emerged and immediately 'warmed my soul' (and tummy) may they do likewise for you!"*
