

Jeffrey "JB" Robert Betz

March 21, 1968 - October 6, 2022

BETZ, Jeffrey Robert "JB" October 6, 2022. Age 54. Adored husband of Nancy for almost 10 years. Beloved father of Amanda (Brandon Patterson) and Nick (Jordan Scott). Cherished grandfather of Grayson. Loving son of Bob and Gina. Dear brother of Mike (Jenn) Betz and Jennifer Wagner. Loving uncle of Braden Betz, Maile Betz, Brody Betz, Colby Wagner, Cameron Wagner and Logan Wagner. Jeff was enthusiastic about cars and especially hotrods. The garage was his happy place with his 4-legged friend Rocky. He shared his love of cars with students through auto shop mentorship in trade schools. When not in the garage, Jeff was an avid jet skier and loved to be out on the water. Jeff loved his family and friends and will be dearly missed by those who had the joy in meeting him. “ I worked with Jeff many years ago at the Jeep / Truck facility in Detroit. He was always a positive person. I enjoyed talking with him about his various hobby car projects. In more recent times, we "caught up" at the Autorama car show each year. My deepest condolences to his family and friends.

“ I had the pleasure of working with “Betz” as we called him at Mack 2 for many years. He was one of the greatest people I have truly ever met. His “claim to fame” with us in assembly is that he LISTENED and knew that he didn’t know it all and always asked us what we thought about any changes being made or gave us feedback about why whatever was happening was. Super great guy who has left a hole in the world for the rest of us. My sincere condolences to his family and friends. Miss you already Betz!

John and I meet Jeff while working with the Water Warriors on their trips from Mackinaw to Lake St Claire to raise money for Special Olympics every summer. He was a great guy who was always smiling. We will all miss him on the rides to come. I know he really enjoyed giving the Special Olympics kids rides on his wave runner and being apart of raising money for them. Our thoughts and prayers are with the Jeff and his family.

Jeff was one of my greatest ‘all time’ friends in my life during the formative years in high school in PA. We ran together daily at the school and around the quaint neighborhood in Center Township, where we grew up! He and I spent the better part of two years together, almost daily and I attribute many of my later academic, sports, and work success to his and moreover his family’s consistent, positive influence, especially with regard to the history and significance of American cars and military vehicle chassis into the future!! He will be greatly missed but never forgotten, as I now live in Hawaii close to his brother Mike, another of my closest friends! God Bless Jeff, forever 🙏
😊And condolences to Bob, Regina and all their ensuing family 🙏👉

“ Our deepest condolences to Jeff's family during this time of sorrow. So sorry for your loss. I had the distinct pleasure to work with Jeff during his support as Engineer for the US Army, JLTV program. He was a kind and gracious man who always wanted to do the right thing. As a result of his work, he can be credited for saving many lives for those who operate that vehicle today. I especially enjoyed talking to him since we were fellow "Yinzers" growing up in Western Pa during the same time period earlier in our lives. He brought us happiness and when I see the photos here I can't help but smile because of all the good memories he continues to share with each one of us. We lost a great man but it is his memories that we will always cherish! May God continue to bless your path ahead in the future and give you the courage to move forward. Your in God's protective arms now. Amen!
