"I just saw the notice moments ago and I am deeply saddened to hear the news. He was a great guy with a big heart who always welcomed me like family, not just a friend of family. I pray for peace and healing for your whole family, that despite the grief that wave after wave of great memories sustain you all in the future."

"Dear Gary and Anita, Just saw on you facebook account regarding your Dad's death and funeral. You are in our prayers. Losing one's parents means one is an orphan. But we recall the words of Jesus, I will not leave you as an orphan, but will send a constant companion, the Holy Spirit. May the Spirit fill the hole in your life as you remember Mom and Dad. I recall i did your Mom's funeral. Thanks for that opportunity. Call if you wish to talk. I am retired now. Maybe we could bike together sometime. Let me know. Curt Roelofs"
