“ *Joan was one of the most wonderful people I have ever known. Kind and considerate, a nurturing leader, inspiring mentor, driven achiever. She was a dear friend outside the office and oh the times we had. Bennigans, The Moose, Dhalka's or Share A Smiles annual golf soiree, we shared some incredible times, laughs, and stories. You are so missed Mrs. Joan, rest in eternal peace you incredible woman.*

“ So sad to hear the news of Joan's passing. My wife Kara and I had the pleasure of working with Joan for many years at First Security/Flagstar. Joan was truly one of a kind. Her passion for banking and for leading by example were just a couple of her many gifts. Joan was extremely kind and considerate and willing to share her time and guidance, both professionally and personally. Once, on a bank awards trip, she comically tagged me with the name Captain America, having sport with my swim trunks with American stars and stripes on them. I referred to her after that as Mrs. America and we greeted each other that way always with a laugh! So many laughs and memories with dear Joan.
RIP Mrs. America

“ My heartfelt sympathy goes out to Loren, Lindsey, Danielle & Lauren. Family was everything to "Just Joan". When I started at Flagstar aka First Security, I called her Mrs. Anderson, only to be corrected by " I am "Just Joan" so from that day forward our inside joke was "JUST JOAN" not out of disrespect because I so Respected and admired her. Rest in Peace "JUST JOAN"💔

“ *My deepest condolences to Loren and Joan’s family. Guess I knew Joan about longer than anyone. We worked together a very, very long time...overcoming many business challenges together. She was always encouraging and giving her best. Simply, she was a great person, gifted with a peerless management ability and a pleasant, empathetic personality. Of the thousands of people that she worked with through the years, only an unusual rare few possessed her ability...something all her friends and former employees can agree with. At times when I reflect back, I will always include Joan and nod my head and silently include a little prayer that I was lucky enough to be her friend for so, so many years. God bless you Joan.*

“ My deepest sympathy for Loren and your entire family. I have known Joan most of my life, and she will forever be in my heart. I met her when we were both just kids back at Auer Mortgage. She was so sophisticated and talented in my eyes. She was friend and mentor even back then. She was always a guiding force in my work life, though she probably never knew. She never thought about herself and was always trying to help those that were less fortunate. Her love of family and friends, her loyalty and strength in her beliefs, as well as her laughter will always be what I hold in my heart. You rest in peace my friend, your work is done here.

“Joan was truly an amazing soul. I was so blessed to have her as a boss and a friend. I learned so much by just observing the person she was. “ Beyond her professional success, she was a woman of deep integrity. She was consistent and fair, loyal and thoughtful, always leading with wisdom and kindness. Her presence was steady and strong, a pillar in our family and to all who knew her.

Outside of work, she poured herself into the things that brought her joy. An avid gardener, she found peace and happiness in tending to her flowers every summer, cultivating beauty with the same care she gave to everything in her life. A skilled seamstress, she had an incredible talent for crafting—whether sewing, painting ceramics, or decorating for the holidays. She had a special gift for making every holiday magical, not just through decorations and entertaining, but by creating and carrying on traditions that will live on in our hearts.

Her legacy is one of love, resilience, and an enduring presence that will never fade. Though words cannot fully capture the depth of who she was, her impact will continue to shape and inspire us forever. She will be deeply missed, but her spirit will always be with us.

I love you mom.
