“Joan was one-of-kind. She was a giver in every way. I am honored to have met her and enjoyed working for her over 13 years. We had many, many lunches together and she was a fabulous cook. I enjoyed making her laugh and telling her I am going to bring Frank Sinatra music so we can both enjoy it together while I clean. She was my roll model and her strength was incredible. She never feared but took challenges and made it so easy. I can't tell you how much I will miss you but I will always take what you gave and carry it with me in my every day life. Thank you Joan for everything you were the best. Love you Lots, Donna Graham

“ *It is with both sadness and joy we celebrate the passing of Joan. Sadness for her beloved family and friends, and many colleagues who will miss her so much and also, joy to know she is in heaven now with our dear Savior.*

I had the privilege of being with Joan over the last two years of her life and it was a rare gift that I will always remember. Joan was a beautiful, dignified and kind woman who loved her family and God so much. We prayed together daily. I learned so much from Joan including how to make the most wonderful Italian cookies I have ever eaten!

I will always think of Joan when flowers bloom in the spring, when the earth renews and creates such elegant beauty - it will always remind me of her.

My deepest sympathy to Joan's family and loved ones, she lives on in the kingdom of heaven.

“ *I recall the many visits we would receive with Pat and Joan coming from Detroit. How beautiful Joan always looked and how kind she was to all of us Cardamone kids. Pat and Joan would bring boxes of car models for each of us. What a treat that was. The family gatherings were always great. God's peace to you all in this time of losing a wonderful human being and may Joan's Soul rest with those who have gone before her. Loving always to all. I'm sorry that I will not be able to attend the service and I will keep everyone in my thoughts and prayers.*
