“*Dear Mel, I was very sorry to hear about the loss of your wife. I never had the pleasure of meeting her, but I'm confident that she was just as kind, caring and a complete pleasure to be around, just like you Mel. Please accept my most heart-felt condolences and know that prayers are being sent your way to help comfort you and your family.*”

“*My heart is heavy for your family. What I have seen over the many years I have watched you all in action is a tremendous amount of love, support & closeness that not every family is blessed to have they way you all do. My prayers & thoughts are with you all as you mourn the loss of this very dear & beautiful woman. I sat with her during many of those school functions that she always attended. Best Grandma ever! Missing her already...*”
