“ I am deeply sorry for your loss. I had the privilege of caring for Joann for the past two years, and I will always remember the way her smile could light up even the toughest days. She had a warmth and grace that made a lasting impression on everyone around her. Please know that my thoughts are with you all during this incredibly difficult time. Joann will be deeply missed, but I know her spirit and kindness will live on in the memories she created with each of you. If there's anything I can do to help or support you in any way, please don't hesitate to reach out. Wishing you strength and peace in the days ahead.
With heartfelt sympathy,

“ Thinking back of many years ago visiting across the street, around the block and all the shopping trips. I can hear your voice and your laugh. You and my mom can hang out again, and that makes me smile. Prayers for comfort and strength for Leah and the family. Be at peace JoAnn. Love, Deanna

I remember working with you many years at Ford school. You were so good with the kids you helped and you were always upbeat and had a good attitude! Thinking of your family and friends and sending prayers for comfort.
