“ JoAnn was such a strong, kind, and talented woman—truly the definition of a "Jack of all trades." There wasn't anything she couldn't figure out or lend a hand with, and she did it all with heart. One of my favorite memories of her will always be at the football games. You could always count on hearing her loud and proud, cheering from the stands, full of energy and spirit. That voice, made everything feel more alive.

JoAnn is simply unforgettable. She touched us in so many ways—through her kindness, her strength, her humor, and her unwavering support. She leaves behind a legacy of love, strength, talent, and moments that will stay with us forever. She will never be forgotten.

Sending love and condolences to the Wirick family during this difficult time, Anna & Fredo Calderon
