“ I didn't know Joanne, personally, but am good friends with her brother, Craig. He always spoke very highly of her and how much of a fighter she was. I lost my wife on 3/8/05 from pancreatic cancer and can definitely understand the feelings all of her family and close friends are and will continue to experience. My heartfelt condolences go out to all who mourn her passing! My personal belief is that she is now in a MUCH better place and will be there to greet her loved ones in due time.

“ Tim- Joanne was one of the most memorable persons I have ever known. Her energy level was impressive, her determination was admirable and her love for others was genuine. But her love for the Lord and her family was of the highest quality. It was my pleasure to know her and call her my friend. I am so thankful that the Lord brought us to Michigan to get to know you two. The best thing of all is that I will see her again one day. May the Lord be with you all and help you through this very difficult time. He is faithful. Love, Patrick and Priscilla
