“ My mom Joanne Joseph and her good friend Elaine used to joke about who would look More beautiful in their casket. I was told by my mom That I better be up for the task. She also told me to lie about when she was born *Tammy knock at least 10 years off on my obituary * unfortunately I can't do that but I am going to try to make sure that you look beautiful in your casket. It shouldn't be too hard as you were very beautiful inside and out! Love you mom! I hope I make you proud.

“ I met Joanne by happenstance. Husband John and I were neighbors from Dearing street. I got a call from Joanne saying they were moving out to Mt Clemens and was working on her budget for utilities. Gave her what she wanted. After their move, visited often. She had a beautiful personality, kind heart, and caring gift, I will miss her and now will be at rest. Be with John and your family. You have left a memorable legacy in your daughters, a little of you both.
