“ Dear Mom and Dad of John, sorry this is so late. I just talked to my Dear friend Tammy Lietzau, Ted and Andy's Mom, and she was telling me of John's passing. I'm wondering he might have been good friends of my Husband Gerald and my Son Joe. Joe was best friends with the Lietzau Brothers and Steve Cotter that's why I'm thinking our Son's were friends also. If you can, please look up Joe's Obituary here at Calcaterra and see if you recognize him. Joseph Clayton Semak. Joe passed in March of '22 from Depression/Alcohol. He tried different methods of treatment/recovery, but it didn't work. He then chose drinking to try and cope on his what I called crash and burn days. In the end his body failed. We miss him beyond words. May your Son rest in Peace. Diann Semak

“ *I am very sorry for your loss. I apologize for not being able to make it to the services, but I am out of town.*

I went to school with John from fifth grade and on. Even though I didn't keep in touch with John, I will always remember his kind demeanor towards everyone. He was funny and honest, and that's what I will always remember about him.

You are in my prayers. 🕊️💙

“ John wasn't just one of my best friends, he was a brother, an uncle to my daughter, someone that's been a constant in my life since we were 15 years old. I still can't find the words to express this loss. The lives of so many are forever changed in his absence. I love you bro, Karen, Madison, and I are going to miss you every second of every day, as well are so many others. The void left by your absence is only filled by the light that you gave all of us.

“ *John was always one of the most selfless people I've ever met. He prepared my hair for donation one year, but refused any payment since it was going to charity. I dedicated the donation to Hayes Barbershop in dedication for his efforts. The party we all had during Blackout '03 is one we still refer to fondly 20-something years later. John will be deeply missed.*

“ *My nephew Johnny, was the sweetest, kindest and funniest guy I knew. I loved him so very much. When he was little, he always ran on his tiptoes. He never stopped running, and laughing. He was the happiest little boy! My kids loved him like a brother. And he felt the same about them. Johnny, I enjoyed our political talks, because we were always on the same page. You always had a special place in my heart, and you always will. Love you, sweet nephew! Until we are together again, in the presence of Jesus.*

“ Our hearts are shattered today. Johnny was always so kind and caring, much like his parents always are. We were blessed to have had him in our family and he will truly be missed. Thankful for the memories and we will forever hold them close. God's gained a beautiful angel. Fly high Johnny and spread your very well earned wings. Keep watch over us and know you are always in our hearts. Till we meet again, PEACE to you.

John, Diane, Daniel, Sue and Katie you'll all be kept close in our hearts. So very sorry for this huge loss.
