“ Unfortunately I was just make aware of John's passing. I knew John for 35+ years. We bowled in the same league and he was on our team for several years, lots of fond memories and good times. I was in a football pool and John would make my picks we won countless times. John was on the quiet side with a rye sense of humor, but when he said something he would definitely make you laugh. You are a good man and will be missed. My condolences to the family and I'm sorry for your loss.
