“ *I had the good fortune to have worked on transactions while John was at Greco, and then later to have worked with him at O'Reilly Rancilio P.C. for the past 17 1/2 years. He was a smart, creative, and highly ethic attorney who was a pleasure to work aside. He was a great warm, funny, compassionate, friend who I will miss every day. My sincerest condolences to Sue, Jane, Evan, his grandkids, and many family members and many friends who will miss him dearly. May you rest in peace, buddy.*

“ My husband and I were introduced to John when we were purchasing a new house and realized there was a lien on the property from the previous owner. We were in a situation that was stressful and confusing, but we immediately trusted John. He was kind, understanding, and got us out of the deal gracefully. We always knew we were in good hands and have spoken highly of him ever since. We are so sorry to hear of this loss and are sending loving thoughts to John's friends and family. His memory lives on.

“ I am so very sorry for your loss. I had the privilege of working with John at Greco Title and training him while he was attending law school. As he learned and went on to work for Oreilly Rancilio, he taught me a lot. He was such a strong person who always thought of his wife and children and always wanted the very best for his family. The real estate world lost one of the very best. I send my healing prayers to his family. May your precious memories give you peace through the grieving process. Debbie DeKiere

“ John was one of the best & most respected attorneys in our community. His professional legal service was only over shadowed by his warm & friendly demeanor. He will be sorely missed.
