“ *We just learned about our dear friend and neighbors passing.. we are truly devastated. John will be missed by so many.*

Whenever my kitchen was open he would always recieve his share of Stuffed cabbages or Homemade pasta sauce or Ribs.. He would always return the empty tupperware "promptly" with a smile and his charm letting me know he was always willing to take the next carry-out.

Rest in peace our friend. Where ever you may be, we know you are helping Others in need, lending your knowledge or making someone laugh.

“ John, a life long friend of my Dad's, was up north with my parents on a snow mobile trip when my Mom went into labor with me. That was a story he told me many times over the years of seeing him at Dynamic. Lots of fond memories between the dirt bike track and Dynamic. Sending you so much love Sydney, Spencer & Mo.

“ *The jokes and how he always loved to make people laugh. Loved that about him. I have a fear of clowns and once he talked me into going to a haunted farm on a hayride. I had no idea what I was in for. John and the kids encouraged this crazy clown on bouncy stilts like 10 ft tall to come over to me. I cried in fear while Maureen hugged me, and he and the kids laughed. Ironically that’s one of my fondest memories. I’ll miss you John. I promise to look after Spencer, Sydney and Maureen. You will be missed*❤️
