"I have known John through his difficult times. I have an immense respect for all patients of what they go through. But John was truly special. He made an indelible impression on me (of the many reasons ..may be he was just few years older to me). Having moved out of michigan more than 2 years ago- i very still remember meeting john the first time in the hospital.I still remember his trigger finger. Over many visits to the clinic I had gotten to know more about him. He was a kind and gentle human being. I watched the video with a heavy heart. John was blessed to have very caring parents and family/friends. My deepest condolences to the Crane family. It was my privilege to take care of John. Rest in Peace."

“Duane, Marion and family. I am so truly sorry to hear such sad news. I was so fortunate to be able to have shared several great years with John at The Orchards Golf Club. He had such a great sense of humor and brought so much fun to our work days. I am sorry to be out of town and not show my respects to you and your family. Please know you are all in my thoughts and prayers as you get through this most difficult time.”
