

John Dion Davis

April 27, 1965 - September 21, 2021

Davis, John. Age 56. Loving father of Austin, Blaize & Christina. Proud Papa of JonMarco. Dearest brother of Terri(Greg)Miller, Raymond(Victoria)Davis, Mechelle(Ryan) Bertollini, Tanya(Larry)Caine, Nicka(Robah)Davis Flynt, Michael Davis, Orville Ray Jr. & the late Sean Davis. Former spouse of Sandy (April Nihranz)Manzella-Davis. Beloved son of the late Clara & the late Orville Ray Davis and his surviving wife Sheryl Davis. Also survived by many loving nieces & nephews.

John Davis was well known through out the Warren Woods School district where his three children attended school. John was known for being a big part of parent teacher counsel and band boosters through out the children's school years, running numerous events. He was known for his great energy and having a loud mouth that everyone loved.

John had a long career at Manzella's fruit market. It was a staple in the community of St. Claire Shores for many years. He was well known for his giant subs that he would bring to many events, family parties, and gatherings. John was currently working at Vince and Joes gourmet market as the bakery director. He was very loved by all the employees. John will be missed by all the staff and friends he has made an impact on over the years of hard dedicated work. As previously being the deli manager, John took so much pride in everything he made for every customer. It was his pride and joy.

In John's free time, he loved to spend time around his children. John always attended sporting events, band events and anything else in between. He enjoyed being out on the water with his friends and family.

John enjoyed spending countless hours with the children of his good friends, Neil and Sue Cusumano. Ella Rosa, Malia and Joey were the highlight of his life. The children loved to call him Uncle John. Although, John did not have much time with his newly born grandson, JonMarco, he was John's pride and joy. John made sure to call Christina every morning to see how his little man was doing.

As John parts ways with us here on Earth, he will not only be missed by his children and loving family, but by every single person that he has touched over the years. His memories will forever live on with everyone he has impacted over the last 56 years.

“ John was everyone’s go-to when anything was needed at whatever school his kids were. He was the most hard-working parent volunteer I knew. He was so fun to banter with. I pray that the happy memories bring you peace and make you smile. You will all remain in my prayers.

“ I met John through WWT BAND. We immediately clicked. It was all about the kids, It was always John's priority. His children were his world and JonMarco was recently added. He was so proud to be a papa. WWPS was on the receiving end of so much help from John and he got us all to help. We followed him like the pied piper, he made volunteering easy and he always made it so much fun. I have so many happy memories of Band. Band meetings, band float, band camp, MSBOA, Cabaret, Craft Show, Concert season, Friday Night Football Games, Marching Season and Parades. He was there for it all. If you couldn't see him you could definitely hear him, his laugh was infectious. He always said I love you when saying goodbye, with a hug and kiss or love you, when hanging up the phone. You have left a lot of broken hearts dear John we will miss you. Rest well John Davis, love you, until we meet again❤️

“ John was one of the most giving people I have met. He worked tirelessly as a WWT Band Booster, always going above and beyond what was expected. He had a special way of making everyone feel welcome. John was always so kind to me; making sure I had a water and an extra boost of chocolate during the grueling days of performing at and hosting Band Festival. Sending his family thoughts of strength and peace during this very difficult time. Karen Burkett

I will always think of him and smile. We always liked to tease each other with a fun-loving smart crack at each other. I remember a lot of fun and funny times with him. I wanted him to show me how to make this roasted veggie tray with a Balsamic reduction on it. I asked so many apparently "dumb ass" questions that John was like "when do you need it". And I had this beautiful spread that I know I could not have replicated. Of course he wouldn't take \$ just donate \$50 to WWT band. YEP THAT WAS JOHN

“What I remember most.. John ruling Pinewood with whatever was asked, always volunteering to help out.. so proud of his 3 kids, now young adults—and from all his FB posts his Grandson. He wore his heart on his sleeve, always smiling & laughing, hated to be teased if he couldn't win or get the last word in. An all around great guy taken too soon! Hugs to Sandy, Austin, Blaise & Christina—keep him alive in all your wonderful memories, stories and in your hearts!!! Rest easy John!!
