This obituary must be for his father---but it mentions the "late" son John----which would have been the John I knew.John had meningitis.....my mlden name was Leona Kwasniak. I am so sorry for your loss. If I have the correct family, please let me know if my John is this family.

“ My Uncle John took me to my 1st Red Wings game. He was my sponsor for Confirmation. I remember Christmases at Grandpa Malaks house when we were all together and the priest from St. Louis would come over and bless us and the house. I remember Summers at Great Grandpas farm in Millington. I will always remember what a great Uncle he was and know that God will be watching over Aunt Virg and her family. God bless all of you!

“ Our prayers go out to the Malak family. May God peace provide comfort during this time. Growing up with Mark (especially during the high school years), I remember John\'s gentleness as well as his sense of humor as he dealt with crazy high school kids.

“ Dearest Mark, Joan and Family, It saddens me to hear of your loss. Your father was one of our true American heroes and I am sure a private hero to your family. His memory should give you courage at this time. My sincerest condolences.
