“ I just entered the Senior Partnership with Metlife on 01/11/2010. Last year in talking with Jack and considering retiring, he said: \"come on back and join us \" referring to the Senior office our Metlife office provides for us. He was very helpfull to me and always had that wry smile and swagger about him. He only needed a yellow pad to sell life insurance. He believed in it because he had a big heart. I was at my new desk in the Senior office when I heard the news. A young agent came into the Senior office. A few of us were in the Senior office trying to deal with the sad news. This young agent said. \"Jack was truly a \"Special\" Agent\" That comment-I will always remember. Blessings to Jach and his family.

“ Our sincere sympathy to Jack\'s family and friends. I have known Jack for over 30 years and we always got together at Met conferences to catch up on family and tell a joke or two, or talk about what was going on in our lives. He will be greatly missed. We will keep you and your family in our thoughts and prayers. John & Kathy Martin

“ On the behalf of the Board and membership of MetLife Veterans Association of Michigan, I would like to express our deepest sympathy for the loss of one of our long standing members of our organization. Jack was one of our strogest supporters. We hope and pray that God will give you strength and may his memory be Eternal. On a personal note, Jack was for me an advisor and aspiration. When a problem or a question about our business, I looked for Jack\'s advice. He will be missed. God Bless his Soul.
