“ We grew up together on Teppert. He was a generous kid, and always active. I looked up to him. He and I would go to Mass on certain Saturdays together. I loved that. John was part of an era I will never forget: the late 60s and 70s on Teppert Street in Detroit. God Bless John and his family.”

“ I remember John initially from the days at Las Vegas Fruit Market on McNichols. He was the afternoon supervisor and was able to mix fun and work. I will never forget when he said he was going to save and buy a Trans Am with cash and he did. He was fun to be around and will be missed. My thoughts and prayers go out to Jackie, Jonathan, and David.”

“ My prayers and condolences for the family. The first time I met John at several of Jonathon's neighborhood parties he impressed me as a great guy, wonderful father, very proud of both of his sons a kind caring man that put Jackie and his family first. Even though I have only known him for a few years, he taught me by example of what it meant to be a great father . I am saddened personally on so many levels of his passing .”

“John grew up just down the street from me on Teppert . I remember playing football with John, my brother Matt, Richard and Greg Sporer. Johns father use to make the ice pond in the back yard. Had a blast playing hockey. Plenty of baseball games and snow ball fights. Nothing but great memories.  
You will be missed John.  
Awesome guy! Rest in peace.
