“ *It's hard to imagine a world without J.T. in it. When I think of John I think of how funny he was and how he used his sense of humor make sense of this life and put things in perspective. He loved his friends and his family especially his kids. A measure of life is not only by how much he loved others but how much others loved him. He was loved by many and will be sorely missed.*

“ Rest easy now, my friend. I will forever cherish your friendship, your humor, and your quick wit and one liners. We've shared many good times together and with others, over 5 decades.

You raised great children who became respectable, loving adults. Always there, for any family members or friends who needed a bit of help.

I was fortunate to frequently be invited to many of your extended family gatherings through the years; a telling aspect of your welcoming nature and sharing generosity.

You will be missed, sorely, and yet I believe your Spirit to now be at Peace, at home with Our Lord, and reunited with great family and friends who have gone before us. Godspeed, my brother. They saw you in pain, and gracefully took you into eternal rest. May perpetual light shine upon you forever more. In Jesus' name, Amen.

John, what can I say, we've been like brothers since the second grade. We shared a lot of good times bro, also family tragedies. One thing for sure, we were there for each other no matter what. Everyone loved you Jonny. God we had fun bro. I'm going to miss you bad. Love you brother.
