“Please forgive the delay, as I just learned of Jack's passing this week. Jack was my Inspector in the DPD in the 90's at an instrumental time in my life. He took a liking to me, mentored me on life and work, and I'll be forever grateful for that generosity and grace that he showed me. Jack leaves behind a legacy that few do. He was an American hero. May God bring peace & comfort to Jack's family and friends as you mourn him.”
