“ So, very sorry to hear of the passing of John. He and I went to school together and later worked together at Sam's Florist. John was a wonderful friend and co-worker. My prayers are with you, the family and his beloved daughter. May Our Loving Savior bring you peace. Heavenly Father, most good and gracious God, sustain this family in your love.

“ I remember hanging out with John, Joe, Rob, Mike, Warren, Dave (my now husband), and all us crazy kids. I'll never forget our trip to Cedar Point. John was such a kind, charming man. It was no wonder girls had huge crushes on him. It was a true blessing knowing him and I thank God for putting him in my life so many years ago. Dave and I are truly crushed by this and hope for peace and the loving arms of Jesus to wrap the family tight. Losing a love one so young is very hard, but there is a purpose. Rest in Peace John and hope to see you again someday. <3

“ We are so sorry to hear of John's death. He was at our home many times with our son, Mike, and he often did work for us in the house and yard. He was always such a gentleman! He worked hard, and we enjoyed his company and felt like he was family. How he loved his daughter! Rest in peace, John.

“ John was my stepfather for 16 years of my life. I always said I have two dads. I will miss him immensely and will always appreciate having him in my childhood. I am who I am today partly because of him. I love you so much.

“ I've known John since he was a kid in high school. He was always at my house hanging out with my son Joe, and Dave, Jeff, Nicky and Tina. The upstairs was always filled with laughter, loud noise, feet running up and down the stairs, and much-too-loud Metallica and Slayer! I'll bet I was the only mom in the neighborhood who knew all the words to Enter Sandman. :-) John was sweet, funny, intelligent, and all the girls had crushes on him because he was so handsome. Though I haven't seen John in years, I was incredulous and terribly saddened to hear of his death. Much too soon! He will be sorely missed and will always have a place in my heart. Fond memories of John.

*Have a peaceful journey, John.*

“ I feel just terrible; at this point I don't think I will be able to attend the viewing or funeral. Lisa is in a neck brace & she can not do long distance travel.
