“Karen, Andrew and Sarah: I have just found out about JP's passing. Mark did tell me about his illness last fall. I will truly miss the laughter and stories he brought with him on so many U-M game days. My daughter Caitlin always loved his chili. I will surely miss him this year, but I will have many smiles as I see his special parking spot by the speed bump on game days. You are in my prayers and I hope that peace is able to find all of you soon. Go Blue Jon!”

“I just found out about Jon-Paul's passing and want to send deepest sympathy to all the family. Jon-Paul was that very unusual accountant who cared deeply for his client's well-being and in my case gave tremendous service. I was his only "international client" he liked to say and some how he always accommodated to my trips from Hungary to Michigan. My heart goes out to Karen and the family for this irreplaceable loss.”

“I'm so sorry to hear of Jon's passing. He had a great sense of humor and laugh. So many memories from high school and running into him in more recent years at my daughters swim meets. Keeping your family in my prayers.”

“There are so many things in life that do not make sense...especially when someone so close to you passes away. My thoughts are with the three of you now and in the future. I will always think of Jon as a huge Green Bay Packer "cheese head fan" that loved his football, my former neighbor that loved cutting his grass as often as he could and a person that enjoyed telling stories/jokes.”

“Everyday JP made us all laugh, he had the best sense of humor ever. I will miss him riding his bike to the office and coming in with all his bright colors and one more piece of gear added to his bike or outfit and saying "Don't tell Mrs. Bratton). I will miss hearing Judge Judy playing on his office TV along with the Tiger games with him cheering them on! I will miss his background jokes while I was on the phone trying to make me laugh. He will be forever missed. Prayers and love to his family.”
