

Dr. Jose Agustin Rodriguez

July 31, 1952 - October 14, 2025

José Augustín Rodríguez, MD. Beloved Husband, Father, Grandfather, Brother, and Friend July 31, 1952 – October 14, 2025. José Augustín Rodríguez, 73, of Shelby Township, Michigan, passed away peacefully on October 14, 2025, surrounded by the love of his family with his wife, his sister, his kids and their spouses, by his side - holding his hand and listening to Cuban music. A devoted husband to Anabel, and a proud father to David (Jacquelyn), Patricia (Ryan), and Daniel (Marisa), José lived a life centered on love, service, and was the definition of a family man. He was the cherished brother of Marilú Rodríguez-García and the adored “Yayo” to his grandchildren: Marco, Lucia, Alivia, Adriana, Isabel, Gabriel, Julian, and Angelina who brought him endless joy and pride. José fled Cuba at 14 and dedicated over 45 years of his life to medicine as a compassionate and skilled physician. He cared deeply for his patients, always treating them with dignity and respect. His calm demeanor and warm heart left a lasting impression on all who had the privilege of knowing him. Outside of his work, José had many passions that brought him happiness. He found peace in playing the guitar, loved golfing with his sons, and enjoyed frequent visits to Miami and Spain with his family. But above all, he treasured time spent with his grandchildren, who were the light of his life. José leaves behind a legacy of integrity, kindness, and unwavering dedication to family. His presence will be deeply missed, but the love and lessons he shared will live on in those who knew him. Visitation Thursday 3pm until the 7pm Scripture Service at Wujek-

“ *Ahora que me he ido
no me llores, no estoy ausente
los recuerdos me hacen presente
atesora lo que he sido.*

*Ahora que me he ido
extiende tu mano, estarás conmigo
es mi deseo, aunque haya partido
aquí se queda el marido, el padre, el amigo.*

*Ahora que me he ido
mi vida tiene sentido
lo he dado todo, os he querido.
Cuando pienses en mí, en mi legado
sabrás que por siempre estaré a tu lado.*

“ *It has been more than forty years since my wife Isabel decided to go to an English as a Second Language class at Utica High School. There she met Ana. We soon became fast friends with Ana and Jose. For most of those forty years Jose also became her primary care doctor, until his retirement only a couple of years ago. During those years, Jose had helped her through all of her physical and health problems that she has gone through. He also helped her fight with the Navy Reserves after I was in a car accident. While I was in a coma, he helped her to get them to send me to Macomb Hospital, instead of some run-down VA hospital. Showing his great sense of humor, at the same time he tried to get the nurses to shave off only half of my mustache!*

Both Jose and Ana have given us so much friendship, help, consolations and love that we consider them as not just friends, but family. At his last birthday party, only a couple of months ago, it was obvious how much love his children and grandchildren had for him, and he for them.

We will miss you, Jose, but one of these days we'll meet again.
