“ I just can't imagine the sorrow Joe's family and friends are feeling because it has to be so much more than I feel, and I just feel terrible. I've not seen Joe much since High School and I regret that, but there was a time when we were together most of the time and he was just the best person, very kind and easy going. He loved Ford Trucks and John Deere snowmobiles when we were kids. My heart just breaks for his family, such a loss. I know how he loved Bernice and the beautiful family they raised. Rest in peace friend you will be missed.
