“*Dear Lena and family, It will be difficult to think of Joe not being among us ; even though we haven't seen each other for so long. He was my godfather and for me , no one could have been a better example of goodness and grace! My husband and I often thought that you , Lena and Joe had a perfect family ! Loving God and each other showed many of us how important it was to try to be as good an example to our children as you two were to yours.....We'll never forget him! .....Please know he will forever be in our thoughts and prayers !”*

I will always remember Mr. Bianchi as a kind, gentle man. I loved having him and all of you as neighbors. He (and all of you) will hold a special place in all us "Monk" girls' hearts. I only just learned of his passing today and wish I could come pay my final respects. Please let your wonderful memories carry you through this difficult time. Sending much love!"

“We are so very sorry to hear that Joe passed away but we are left with so many wonderful memories, like when he drove me to school for my high school prom, or eating all together for one of Lee's fabulous home cooked meals. He wasn't just a neighbor, he was another Dad to me and a surrogate grandfather to my daughters. He was so loving, gentle and kind - he will be sorely missed but remembered with love.”
