“ *"Uncle Joe was a gentle man with a special heart for people and an active, witty sense of humor. When I knew him best it was hard to find him wearing any expression but a big, warm, welcoming smile. I loved him. I pray this Scripture softly over all who grieve him in this difficult time, especially my Aunt Lucy, and my cousins Angela and Theresa: "May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit." (Romans 15:13)."*

“Dad, There are not enough words to express how much I am going to miss you! You have taught me so many things throughout my life. Most importantly, the importance of family. With that I have learned kindness, love, compassion, understanding, forgiveness, how to laugh and how to cry. I have nothing but wonderful memories! When I look back on my childhood, I just smile :) !! I will cherish these ALWAYS! We had so many good times. Sunday surprise car rides, Gibraltar, wrestling matches, the countless number of concerts that you sat through and most importantly doing nothing at all, just being silly and hanging out! I could talk for weeks about all the great memories and the wonderful, loving, caring man that you were. You would give the shirt off your back if someone needed it. You always looked out for others. You always seemed happy even through the toughest of times. You were the poster child for "lead by example". Watching and learning from you has helped make me the daughter, sister, wife, mother and friend that I am today. I can only hope I give Natalie and Katelyn what you have given me. I Love you Dad and you will be forever missed and NEVER forgotten!!! XOXOXO. Love, Angela”

“Our thoughts and prayers are for the family of this wonderful man. I had come to know Joe through the sewing machine business as my father Richard DiPace was owner of Shores Sewing Service. Joe always went out of his way to help me with repairs and parts and it was always a pleasure to do business with him. He was a man I could trust and always felt that he was honest, sincere, and ready and willing to help anyone. He referred many customers to me at Sew Tech over the years as I did for him likewise. I'm sure he was counted as special by many in this life and I am blessed to have known him. I looking forward to seeing him again in the next life.”

“Mr. Coppola gave me my first "real job" just months before my 16th birthday. He was a very special man who has a very dear family. He would tease me to no avail, but made me laugh all the time. He trusted me with nightly closings of his Utica store and taught me to work hard. I was deeply saddened to learn of his passing. Sending many prayers and thoughts to your entire family!”
